PRIZE WINNING ENTRIES SALUTE ORIGINAL CAMPBELL SETTLERS

Campbell's 58th annual Old Settlers' Day celebration last Friday, though dampened physically by an ever increasing rainfall was dampened not a whit in spirit as hundreds lined Campbell Avenue to watch the colorful procession to pay tribute to Campbell's founders and early residents. Santa Clara County participating units worked hard to make this years celebration one of the county's finest with prize winning floats and other entries.

The "Welcome to Campbell" theme was most aptly borne out by Campbell VFW Post, whose "Keys to the City" float won second place in the Civic Division behind winning Lion's Club float of accacia blossoms topped by a lion. Third place in the Civic Division was won by Campbell Garden Club.

In the Industrial Sweepstakes, Sunsweet California Prune and Apricot Growers float prepared by Campbell Co-operative Dryer personnel with 18,000 pear flowers took first prize. Another Sweepstakes prize was awarded to Hunt Foods Inc., with their country store scene float.

Martial music honors were won by James Lick High School, Campbell High, and Campbell Grammar Schools in that order.

Senior Drum Corps honors were won by Hollisters Eagles Drum Corps, first and Memory Post 399, San Jose, second, while Union Grammar School, Campbell took the only prize in the Junior Drum Corps division.

High-stepping majorettes were topped by Joan De Sotos Tophatters, followed by the Academy of Dance and Pat Maudens Sparklers. Honorable mention went to Cambrian High Steppers.

Riding awards went to Santa Clara County Horsemen's Association, the Guadalupe Red Shirts, and the Los Gatos Gymkhana Association, with honorable mention to the Guadalupe riders.

In the individual Riding Groups, the Santa Clara County Jr. Horsemen's Association took first place, with Ironbergs Juvenile riders coming in second.

The best riding pair were Miss Susan Smith and Pat Hoenig while Joe Messer, Montezuma School for Boys, took the prize in the individual rider class.

Ed Wolford and Dan Graves entered the best stallions.

Campbell High's Art Honorary Society's float saluting the pioneers, won first prize in the school entries, trailed by the future Homemakers and the Unionettes of Union High School.

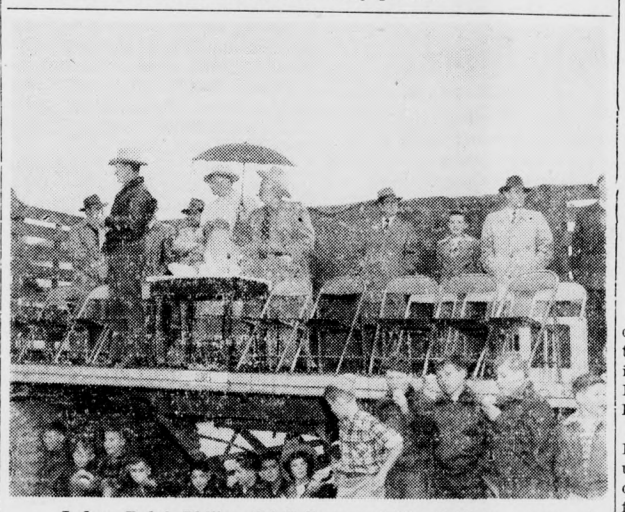
Other winners in the juvenile school division were Cub Pack 9, Cub Pack 24, and Troop 34, with Honorable mention going to "Happy Bluebirds."

Special honorable mention awards went to the Footlighters, to Mr. and Mrs. Virgil Whittaker, to Bobby Hollowell and partner Dicky Burda, to the five Neals, and to Cub Pack 10.

Parade judges were Ed Fellows, Tim Sullivan and Ralph M. Phillips.

Mr. Forrest Reese, of the Campbell Chamber of Commerce, announces that all contestants who did not receive their awards may call for them at the Campbell Chamber of Commerce every day from 10 a. m. till 2 p. m., except Saturday and Sunday.

Lisle Williams and Laura Vierra ride the Grand Prize winning Sunsweet float in the Old Settlers' Day parade.



Judges Ralph Philips, Ed Fellows and Tim Sullivan, center of platform, watch a parade entry which has just past the reviewing stand while William Henley, Jerry Payne, Chamber of Commerce President Joaquin Payne and Old Settlers Day General Chairman Martin S. Walsh, standing to the rear of the platform at the right, watch for the next entry to pass.

Frances McCurdy, left, hands the key to the City of Campbell to Ethelyn Gagliasso on the V. F. W. float in the Old Settlers' Day parade.

75 Local Persons Will Join In JayCee Production

A cast of between fifty and seventy-five local persons will participate in the Junior Chamber of Commerce's benefit production of "Shooting Stars" to be held March 3 and 4 in the Campbell Elementary School auditorium. Cast of the variety show will present impersonations of famous radio and television performers and programs. Announcement of members of the cast will be made Saturday.

Rehearsals for the production are progressing according to schedule, states Miss Helen Barnett, director.

The variety show is being sponsored by the Campbell JayCees in order to gain funds for their Youth Guidance and Community Welfare project, they have been working on for the past two years.

LIONS CLUB MEETING GETS FOREIGN TOUCH

Four San Jose State College students provided international entertainment at last night's joint meeting of the Business and Professional Women's Club and the Lion's Club.

Miss Helen Pigarow, one of three DP students brought to the college under the sponsorship of the Student Y, described conditions in her former homeland. Miss Pigarow's home is in Russia, but she came to this country via Germany, where she attended high school. She is a Freshman majoring in Business.

Teheran, Iran, is the home of the second speaker, Freidom Pirzadeh. He is majoring in newspaper operation and plans to publish a newspaper in Teheran after his graduation.

American students were represented by Howard Smith and Dan Knowles. Smith is known to Campbell residents as a candidate for Campbell city clerk in the incorporation election to be held March 11. Although he is majoring in Business Administration, Smith is a former professional musician. He entertained the meeting with piano selections including Cumana, Chopin's Valse in E Minor, No. VII, and Honey Suckle Rose.

Dan Knowles, music major at the college, rounded out the evening's program by singing I'm Gonna Live Till I Die, Smiles, Ireland Is Like Heaven, and Pigalle. His accompanist was Howard Smith.

The program was arranged by Jane Parr, chairman of the International Relations Committee.

Lou Murphy New 'Press' Editor

Lou Murphy has been appointed to the position of editor of the Campbell Press to fill the post vacated by M. T. Bowe. Bowe has resigned his post to take a position in Los Gatos. Murphy, a graduate of Stanford school of journalism, was editor of a Marine Corp newspaper at the San Diego recruiting depot during the war. In addition, he had considerable overseas time, serving with the Pacific Fleet in the southern areas.

He worked on special assignments for the Palo Alto Times, and during the Korean hostilities, he edited wire releases for combat corespondents in Korea. He wrote sports releases for the Marine Corp as well as preparing programs for athletic events and working with the Public Information Section of the Marine Corp.

Murphy, 31, is married and he and his wife, Jacqueline, are residing in Cambrian Park.

Concert Planned In Exchange Program

Campbell Grammar School Orchestra and Boys' Glee Club travels to Jefferson Union School Tuesday to present a program for a morning assembly.

The Orchestra is under direction of Dick Gordon. Ben Ziegler directs the Glee Club. Besides instrumental and choral numbers the program includes a vocal solo by Willis Dahl and a selection by the Glee Club's Barber Shop Quartet.

Kerr Indicates Probable Revenue, Costs For Year If Campbell Incorporates

Leslie Kerr, member of the taxation and revenue committee of the committee for Campbell incorporation, in this issue discusses probable sources of income, and estimated cost should Campbell incorporate. His estimates cover an imaginary fiscal year from July 1, 1952 through June 30, 1953.

In consideration of a necessary action, the first city council must determine whether it is advisable to start city operations on a "shoestring" basis; borrow money with which to finance city expenditures; or, await accumulation of funds receivable from subventions, grants, license fees, and permits.

Personally, I am in favor of the latter course. And consequently, this budget forecast is based on deferment of active city functions until July 1, 1952.

In the meantime, city officials will have an opportunity to familarize themselves with local conditions; decide on an administrative policy; enact city ordinances; set-up safeguards to protect city finances; and, select city employees. In fact, be prepared to begin actual city operations as of July 1, 1952. Such matters, however, fall within a definite sphere of action delegated solely to members of the city council.

In order to provide the reader with timely and specific information relating to operation of Campbell as a city, an attempt is made herein to indicate expectant receipts and costs. The anticipated revenues cover period from date of city incorporation in March 1952 to end of June 1953. The expense calculations are based on assumption that the city council will not begin active city functions until July 1, 1952; the period covered is for year ending June 30, 1953.

Frankly, the revenue and expense items are estimates, some of which will be affected by actions of the incoming city council. In any event, the figures will indicate, to some extent, the probabilities. No other purpose or use is intended.

The following table indicates the source of and probable availability of funds with which to operate the city of Campbell during year ending June 30, 1953. Statement is divided into two parts: first part covers period from March 1952 to end of June 1953, and does not include any property tax monies; the second part contemplates a continuation of tax collections sufficient to maintain and operate the special fire, street lighting, and sanitary districts of Campbell for year ending June 30, 1953.

Source of income		Total
1	Motor vehicle license fees	$18,600
2	Gasoline tax	12,600
3	Business licenses	5,400
4	Court fines and penalties	3,300
5	Departmental permits	2,700
6	Alcoholic control act	1,800
7	Fees, charges for services	1,500
8	Franchises	1,200
9	Privileges	900
	Total (March 1952—June 1953)	$48,000
	Tax collections:	
	Campbell fire district	$13,200
	Campbell street lighting district	8,800
	Campbell sanitary district	4,000
	Total (July 1, 1952—June 30, 1953)	$26,000
	Grand total income	$74,000

The following datum and timely information was considered in making this income survey, namely:

State refund allocations to Campbell of motor vehicle fees (1) and gasoline taxes (2) will be based upon the proportionate ratio of city populations. The population of Campbell will be determined by multiplying by three the number of registered electors residing within the newly incorporated area.

(1) After deduction of administration costs, proceeds from State collected motor vehicle license fees are distributed to cities and counties. Fifty percent of the money is paid to the cities, each city receiving an amount proportional to the ratio of its population.

Monies received from this source must be used for State purposes. Law enforcement, traffic control, sanitation, and street maintenance, among others, are considered as State purposes.

(2) Proceeds from five-eighths of one cent of the State collected tax on gasoline are transferred to and opportioned among cities in an amount proportionate to population. At least 60 percent of the amount received by Campbell must be used for construction of major streets and not over 40 percent of this money may be used for maintenance of streets located within the city limits.

(3) Business license fees are imposed either as a regulatory measure to secure compliance with city ordinances or as a means of obtaining income with which to partly finance city operations. The fees usually are greater when exacted for purpose of raising municipal revenues.

In this connection, the writer respectfully suggests that (1) the first such ordinance be limited as to time—say six months; and, (2) the rates be moderate and kept within reasonable bounds. Capricious enactments and unreasonable taxes are adominable.

(4) There were so many differences of opinion expressed by attorneys and officials consulted, as to legal requirements and division of net receipts under the recent court enactment, that the writer does not feel qualified to make any comment in this connection. The amount of $3,300 as shown in an arbitrary estimate to cover period from March 1952 to July 1953.

(5) The principal item of revenue listed under departmental permits include fees to be collected by the building inspection department in connection with new construction, plan checking, and inspection of plumbing, electrical and gas fixture installations. Many other types of permits and charges are made by different California cities.

(6) All liquor license fees collected by the State, less certain expense deductions, are returned to cities and counties in which they were collected. All such monies may be deposited in a general city-fund and utilized for any governmental purpose.

(7) Income from service charges is completely dependent on available facilities, prospective patrons, and administration policy. Some cities charge for such services as cutting or burning weeds, maintenance of street trees, repairing sidewalks, street cleaning, special police protection, fire hydrant service, street lighting (item 11), garbage and refuse collection (item 8), and sewer use. The feature these have in common is a measurable service benefitting an individual or limited area with only incidental benefit to the remainder of the community.

Other cities charge for some of these services on the basis of a special tax district, as for example, street lighting ditrict of Campbell (item 11).

(8) It may be desirable and more economical for the city council to issue time grants or franchises in lieu of using city equipment and employees to perform such services as garbage and trash disposal, etc.

(9) Revenues may arise from such sources as refunds, interest on invested funds and bank deposits, gifts, and various special privileges.

Income listed under "tax collections" consist of funds received from property assessments and the amounts shown approximate the 1951-52 collections.

The Campbell fire district was established under a referendum vote and is governed by a board of Commissioners selected by the local electorate. Accordingly, the 1952-53 tax rates will be fixed by said officials.

The special street lighting and sanitary districts are under direct control of the Santa Clara County board of supervisors. The presumption is that these officials will operate said facilities until such time as the city officials of Campbell are in a position to take over the active management.

If the estimated income as above described proves to be reasonably correct, the incoming city council should not find it altogether impracticable to operate the city of Campbell without additional assessment of property taxes.

Leslie Kerr, January 21, 1952

Committee Is Formed To Fight Incorporation

Opposition to incorporation of Campbell took a step forward with the formation of the "Committee Against Incorporation of Campbell" last week. The group, consisting of approximately 35 interested residents and taxpayers of the area, met in the North Winchester Road home of Gilbert A. Lathrop last week to discuss means of combatting the move to incorporate certain portions of the Campbell area. Lathrop was elected chairman of the group and stated that several members have signified their desire to contribute campaign funds.

Lathrop has been a resident of the Campbell area for the last ten years and is employed by a railroad in San Jose. He has several grandchildren who are attending Campbell schools. He stated that the committee was formed because many of the members felt that spiraling costs of living made incorporation unwise.

SHERIFF'S OFFICE SAYS CAR FIRE ACCIDENTAL

A fire in the car belonging to Mr. Frank Accardi, 166 "B" street, Campbell, believed by the owner to be the work of a possible arsonist, was probably caused by a cigarette left to smolder the night before, investigations of the Sheriff's Office revealed.

According to Inspector Fred Goudy, no evidence was uncovered which hinted that the fire was other than accidental.

A check back showed that the car was parked the night before at 2 a.m., and since the damage to the car was negligible, the Sherrif's office concluded that the fire resulted from a lighted cigarette. The fire was discovered by Accardi's son-in-law the following morning.

Other fires in or near the Accardi business establishment on the 6th, 9th, 10th, and 17th of this month prompted the owner to believe that someone was deliberately setting them.

The Sheriffs office reports that investigations are still being conducted to determine the origin of the other fires, but that so far, evidence indicating arson has not been discovered.

Thirty Join Stamp Trading Plan Here

Bill Means, spokesman for the Campbell Trading Stamp Merchants, announced this week that over 30 Campbell area merchants have signed as charter members of the group. Additional merchants still have a few days left in which to sign up as charter members and have the name of their business appear on the redemption books. Incorporation papers for the group are now pending approval by the state franchise board.

Purpose of the trading stamp organization is to promote local trade by what Means termed "customer bonuses". Under the plan, customers who purchase items in the stores of member merchants would be entitled to trading stamps at the rate of ten per every dollar purchase. Stamps would be redeemable in merchandise from member's stores when redemption books are filled.

The plan is expected to go into effect by the middle of March.

SCOUT PACK 9 WINS AWARD

Cub Scout Pack 9 won the first award in the Juvenile Division of the Old Settlers Day parade for the second consecutive year.

Over 60 cub scouts portrayed settlers arriving in Campbell on horseback and in covered wagons.

The award will be presented to the cubs by Cubmaster Merv Willoughby at the regular monthly pack meeting to be held Friday, Feb. 29, at 7:30 p. m. at the Congregational Church.

Advancements in rank, den skits, and a short movie will conclude the evening.

Work Starts On School Building

Construction of the Quito Elementary school started Tuesday at Quito Road and McCoy Avenue. Samuel E. Barth is the contractor, who won the contract with a low bid of $314,282.

This school will serve the southwest portion of the Campbell Union school district, which includes the children in the Workmon Tract, who have previously attended the San Tomas school.

The school, while not named officially, is being called Quito school temporarily. This name is not to be confused with El Quito Park school, soon to be erected on Saratoga Avenue and Paseo Cero.

High School Artists Win Seven Awards At S. F. Exhibit

Campbell High School Art students won three gold keys and four certificates at the Northern California Scholastic Art Awards Exhibit at the Emporium, San Francisco, recently. The trip was sponsored by the High School Art Honorary Society.

Jon Pemberton, freshman, won his honor in Handicraft. Shirley Shelton, junior, won her key in the pictorial division. Richard Carter, sophomore, won first place in pastel drawing. Certificates of merit were given to Maude Crain, Madeline Dubcich, Sally Spencer, and Bob Ciraulo.

Mrs. Marian Winston, art teacher, is pleased over the consistent number of honors earned at this event over the past three years.

The new winners bring the total of Art Awards earned by local Campbel students to eight.

Faculty guests were Mrs. Vivian Gregory and Mr. Garth Norton. In charge of the group was Mrs. Marian Winston, faculty advisor.

A pot luck super will precede the practice. Mrs. Harold Pawsey, spokesman for the group, stated that all members have been requested to attend the meeting.

Mrs. Jessie Campbell, daughter-in-law of Benjamin Campbell, founder of the town, signs the Old Settlers' register as an unidentified friend looks on.

San Tomas PTA Sets March 1 As Date Of Frontier Days Dance

Plans were laid for a Frontier Days dance by the San Tomas Parent-Teachers' Association at a recent meeting held last week in the school. Featured at the dance which is scheduled for 8 p. m. on March 1 at the school, will be a floor show by members of the group, a card room, square dancing and ballroom dancing. Refreshments will be served from a chuch wagon. Those attending the event have been requested to wear western garb. The floor show will include an old time melodrama.

General chairman for the event are Mr. and Mrs. Ray Snyder. Refreshments will be under the chairmanship of Mr. and Mrs. John Lisk; entertainment, Mr. and Mrs. James Barnett; square dancing; tickets, Ray Martin and Burnette Creighton; card room, Chris Miller and Mrs. E. H. Hart; decorations, Mesdames Y. W. Hansen, Walter Thurber, Marion Bergthold, Claire Babahl; and costumes, Russel Conn.

During the meeting last week, members heard Vance R. Lee, principal of Washington school in San Jose, speak on family fun and recreation. Lee emphasized the need for "backyard" recreation equipment. Marc Swengle, principal of San Tomas school, showed a film on recreation and a display of hobbies of members of the community was made by Mrs. Ellis A. Rother.

Mrs. Leslie Wilson, chairman of the California Congress of Parents and Teachers, and oneof the original founders of the San Tomas group, spoke on the history and founding of the Parent-Teachers' movement as part of theFounders' Day program. Margie Martin and Vivienne Lukehart presented musical selections, while in frontier costumes. They were accompanied on the piano by Marilyn Perata, who also presented several piano solos.

Past Presidents Mrs. John Perata, Mrs. Donald Lukehart and Mrs. R. W. Martin were introduced to the group and honored with a presentation of corsages. Each member was introduced with a poem read in their honor and Mrs. R. W. Martin responded with a poem of acknowledgement.

During the business meeting, nominating committee members for election of new officers were selected.

Refreshments were served by room mothers of the second grade classes under the direction of Mrs. C. M. Clever.

K of C Potluck Judged Success

If judged by attendance, the Bishop O'Dowd Council of Knights of Columbus potluck dinner held Monday night at St. Mary's Hall, Los Gatos was a success, a spokesman reports.

Moving pictures of Martin Walsh's trip through Florida were shown and enjoyed by members and their wives, it was reported.

Father Doherty, Council Chaplain, gave a short address. In the short business meeting which followed, plans were made for the Degree Initiation in San Jose in the near future.

Mr. and Mrs. L. G. FAIRCHILD of North Second Street left Tuesday to spend a week in Los Angeles visiting relatives and sightseeing.

'Petticoat Prom' Theme Show Of Community Club

Models for the Campbell Community Club's fashion show to be held March 21, 8 p.m. at the Country Woman's Club, will be introduced by Mrs. Steffi Abbott Sims, well known for her civic activities, fashion commentaries and modeling.

Petticoats carry out the theme, "Petticoat Promenade," in the decorations, programs and in the clothes. The show will feature both women's and children's ensembles. Children's clothes, from Grace's in Cambrian, include boys' and girls' sport and dress clothes and even night wear. Women's apparel includes everything from bathing suits and sport wear to dressy and formal attire. These clothes will come from Rachel's, the Creative Shop, and Marglads of the Alameda.

One of the models for the show will be Mrs. R. J. Flagg, Women's Service Club member. All of the other models are Community Club members and their children. Women models are mesdames Robert Swan, Arthur Cowdery, Richard Drew, Verle Grizzle, Don York, Robert Boltz, Arthur Thompson, George Egling, and Miss Marilyn Toy. Mrs. Allan York will model maternity clothes.

Young set fashions will be modeled by Janie Clark, Gailon Thompson, Cynthia Lyons, Val Grizzle, Pamela Parker, Pamela Lantz, Janice Jones, Janet Egling, Mary and Jimmy Beyer, Wayne Thompson, and Jerry York.

Tickets are for sale from club members or may be obtained from Mrs. Earl Clark, Campbell 3294.

LETTERS TO THE EDITOR

Opinions on any matter pertaining to the development and advancement of the Campbell community are welcomed by the Campbell Press, whether they be in accord with the editorial policy of the newspaper or not.—Ed.

To the citizens of Campbell:

It is with pride that the Business and Professional Women's Club of Campbell endorses Mrs. Viola Krug for City Clerk of Campbell. Her fine character, training, and experience make her a qualified woman for this position.

Mrs. Krug is a young attractive homemaker. She and her husband own their home and business in Campbell. They have a daughter in Campbell High School and a son in Campbell Grammar School. They are members of several local organizations and attend church in Campbell.

Mrs. Krug has had business training and experience, not only in her own business, but has been employed by others so knows how to work with an for people. She assisted in the research leading up to the consideration of incorporation so is fully informed on the issues involved.

She is a charming, sincere person capable of doing a thorough, efficient job and is eager to make and keep Campbell a fine place for families and to develop its potentialities.

For these reasons we heartily recommend Viola Krug for City Clerk of Campbell.

Sincerely yours,
Campbell Business
And Professional
Women's Club

Dear Taxpayer:

Let's you and I take a look at this proposed incorporation deal. First off, I presume that like myself, you're paying off your home through FHA or similar financing. In each of your monthly payments are included your taxes, and fire insurance. You know how much you're going to have to dig up every thirty days. Now, the question is: can you afford to dig up an additional $3.00, $5.00, or $10.00 a month? I know that a raise of any kind against my income is going to hurt right down in the old pocketbook. So when you go to vote March 11, remember that no prices are coming down. DON'T VOTE YOURSELF INTO AN INCREASED COST OF LIVING!

We, you and I who own homes in this very beautiful little community, are up against a gang of professional politicians. Nearly every one of these incorporators has an iron of some kind in the fire. We, you and I, are going to have to pay wages to a town clerk, half a dozen policemen, half a dozen firemen, a gang of men to maintain our streets. We're going to have to buy some trucks, some patrol cars, some grading equipment, to mention but a few. ALL OF OUR STREET MAINTENANCE AND OUR POLICING ARE NOW DONE BY THE COUNTY. In all the years you've lived here, have you ever had to call out the law? And don't we have good fire protection. Think it over.

Mountain View, about the same size and population as the proposed City of Campbell, budgeted $402,347.00 to operate as an incorporated city for 1950-51. Just where do you reckon that money came from? I'll give you one guess. Out of the pocketbooks of home owners like you and I. This gang who are bound and determined to make a nice juicy dent in your bill folds, are not giving a whoop about making a "City, Sixth Class" out of Campbell. They're out to feather their own personal nests at your expense. They yowl about our juvenile delinquency because we ain't got no police. Just what in thunder causes all the juvenile delinquency in San Jose, with "jillions" of policemen falling over each other?

HERE'S THE COST OF RUNNING MOUNTAIN VIEW:

General	$83,440.00
Water	120,000.00
Sanitation	80,070.00
Law Enforcement	48,300.00
Street Improvement	15,000.00
Traffic Safety	16,000.00
Park	24,500.00
Library	6,800.00
Bond Redemption	$2,482.00
In Lieu	10,000.00

The gang are trying to scare you by telling you that if we don't incorporate, San Jose will come right out here and annex us. Shades of Puddin' Head Wilson, do they think you and I are so stupid that we're going to fall for that hog wash! Burbank is smack inside of San Jose. For years and years San Jose has been trying to annex them. Have they been able to? No! Before a big bad city can annex a nice little town, the people of the nice little town are allowed to vote on it. REMEMBER THAT WHEN THEY BRING UP THIS BOGEYMAN.

Another thing. Under an incorporated jurisdiction, you're going to be told just what you can do in your own back yard. Not a few of us around here who don't have chickens, or rabbits, or a duck or two. Them things just ain't allowed in incorporated towns! This gang are actually so cock sure of success this time that they are even running a ticket of candidates for jobs as mayor, councilmen, et cetera. They don't want to wast no time before digging into your pocketbooks.

We, the Committee Against Incorporation of Campbell don't have a single iron in the fire. We don't stand to gain a thing by defeating this outrage except to hold down our taxes, and to live in a rural community. Since coming here to live, have you seen anything wrong with our rural way of life?

PLEASE, FOR THE LOVE OF MIKE; IF YOU'VE NEVER CAST A BALLOT BEFORE IN YOUR WHOLE LIFE, GET OUT AND CAST ONE THIS TIME. And cast it with a great big NO!

Let's kind of mark time until the cost of living has gone down, and taxes have been lowered before becoming a city. Then will be the time to think about budgeting ourselves with some $400,000.00 a year in additional "City Taxes." Not now.

Sincerely,

THE COMMITTEE AGAINST INCORPORATION OF CAMPBELL. Signed,
GILBERT A. LATHROP.

Rally Sunday

Members of the Penninsula Car Club met in San Jose last night to discuss final plans for their car rally to be held Sunday. John Ridgely, chairman of the arrangements for the rally, announced that entries for the event will start at Red Coach Inn at 9 a. m. for the 100 mile course which will end with a picnic at New Brighten beach. "Purpose of the meet," Ridgely announced, "was to promote good driving among the owners of cars of foreign make."

Winner of the rally will be the car which comes closest to an established average time. "At no time during the rally," Ridgely continued, "will contestants be allowed to drive faster than the posted speed for the road which they are travelling or faster than the condition of the road safely permits."

Contestants for the event are limited to 31 cars due to the time element involved in starting them at two minute intervals. A contestants meeting will be held just prior to the start of the rally when entrants will be given sealed envelopes with a series of directions for the route of the course.

Even with the higher rates P. G. and E. has had to ask for . . . typical household

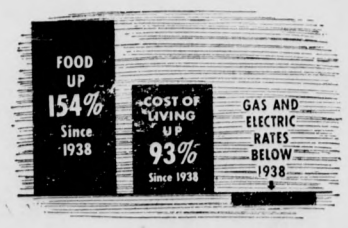
Gas and electric bills will still be smaller than in 1938!

BILL
for 100 kilowatt-hours of electricity and 100 therms of gas for a home in a typical California city:

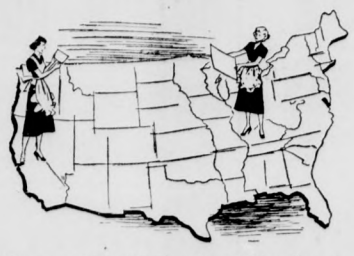
In February 1938 ..... $9.34
At proposed rates $8.90
Today: $8.25

Since early 1938, P. G. and E. home rates have been cut sharply in five separate years . . . in April 1938, in 1939, 1940, 1943 and 1946! That brought rates way down. They were raised only moderately during the last three years. Now, with continued pressure of rising taxes, wages and equipment costs, we've had to apply to the California Public Utilities Commission for new electric rates—increased rates to provide sufficient earnings to continue to attract the new capital required to meet the service demands of our customers. But even the increase we're asking won't bring your typical gas and electric bill up to what it was for the same use in 1938!

P. G. and E. wage rates are up 114% for weekly and daily employees. In 1938 our taxes were $17 million—last year they were $66 million. Yet our present domestic rates are far below the 1938 level. While rates must be raised, the P. G. and E. bill for a typical home will still be less than in 1938.



Everything else you buy costs more than in 1938. And P. G. and E. pays more for the things it buys, too. A power pole that cost $10 in 1938 now costs $25. A line truck has gone up from $2,124 to $4,834. We can't go on giving good service unless we can adjust our rates to help meet higher costs.



Gas and Electricity will still be cheap in California under the higher rates we've asked for. As a matter of fact, the typical P. G. and E. residential bill for gas and electricity in a California city will still be about ⅓ less than the average of the bills in cities of similar size outside California.

Can you think of anything else you buy that costs less than in 1938? . . . gas and electricity are big bargains!

Peterson Company Lowest Bidders For Quito Park School

Fletcher Peterson Company's bid of $107,029, lowest of eight, awaits approval by the Allocation Board division of finance at Sacramento, for construction of the El Quito Park School.

As soon as the bid has been approved, the contract will be signed and construction will start immediately.

The school building, to be located at Bucknall Road and Paseo Presada Road in Quito Park, will consist of six classrooms, a principal's office, nurse's room, plus the usual maintenance and supply rooms.

At present, the Fletcher Peterson Company is building the Mt. Eden School in Hayward

PTA CHOOSES NEW OFFICERS

Besides a short business meeting in which a nominating committee was selected to choose new officers, the Founder's Day "Birthday Party" meeting of the Campbell Elementary PTA for February featured Mrs. Willard Morrell in vocal selections, skits presented by Miss Laedersick's drama classes, and a comedy routine presented by the school faculty.

The program was arranged by Mrs. Richard Norton, 2nd vice-president.

Mrs. Gerald Thompson was named chairman of the committee, and her assistants will be Mrs. Lloyd Sloane, Mrs. A. W. Cobb, Mrs. Harry Gerin, and Mrs. Vestor Royce.

Hostesses of the evening were the 4th grade mothers.

ROTARY HEARS BUECHNER'S TALK 'THE RED FRINGE'

Highlights of the Rotary meeting, Monday noon, Oddfellow's hall, besides the presentation of a float trophy to Elvan "Hans" Hansell on behalf of Hunt's Cannery for participation in the Campbell Old Settlers Day parade, was a talk by Mr. Fred W. Buechner, western representative for the Walston, Hoffman and Goodwin Company.

Buechner's talk, entitled "The Red Fringe", was comprised of comments on foreign opinion of American economic and military policy.

Buechner spoke from no superficial survey. His opinions were formed from interviews with prominent people in Washington, England, India and other countries of the world.

"Our Korean losses have been terrific," said Buechner, criticizing American foreign policies. "Especially our air losses, due to the number of low level bombing missions, a fact concealed up to now fro mthe American public."

Comparing Industrial per capita work output with government employee per capita output, Buechner stated that a tour of the OPS building in Washington revealed that only one in five desks were occupied at the moment despite the fact that every one of them was stacked with work.

Speaking on the ability of peoples of foreign lands to comprehend our culture, he stated in India that only one person in every ten can read or write their own language while only one in every thousand can read or write the English language, which is their official language.

"Inefficiency of distribution of Marshall Plan goods is appalling in Asiatic countries," Buechner stated.

Describing the war potentiallity of Russia, Buechner stated that she is far more advanced than the public has been led to believe. "It is entirely within the realm of possibility," he said, "that Russia is now working on a hydrogen bomb so powerful that if it were exploded off the West Coast, it would destroy the entire North American continent."

The Star Circle will meet tomorrow in the home of Mrs. Harry Algar of 120 North Second street at 1:30 p.m.

Charlotte Sutter, center, finishes signing the Old Settlers register and turns to Mark Purmort, far right, to ask him a question.

Payne Avenue Site Work Bid Won By Voss Co.

Moreland School district has been authorized to sign a contract with F. A. Voss Co., Cupertino, for site development on Payne Ave.

Work will begin at once for developing a parking area, putting in three sections of lawn with a sprinkler system and to finish landscaping in front of the building on Payne Avenue.

Honors Past Presidents Here

Mrs. J. W. Knowles spoke on the history of the Parent-Teachers' movement at a recent meeting of the Campbell High School Parent-Teachers' Association in honor of Founders' Day. Past presidents of the group were honored at the meeting. Included among them were the Mesdames J. W. Knowles, J. F. Rediker, Carl Field, Raymond Flagg, Alfred Weltz, Earl Booker, LBen Howard, W. G. Merrill and James Gleed.

Mrs. Malcolm Blue was presented a life membership pin by Mrs. Norman Pratt. Among the life members present were Mesdames Mary Dennis, Bertha Jensen, Laurance Hill, Alfreda Runge, Miss H. Carson and Miss A. Bull.

Music for the meeting was provided by the mothersingers under the direction of Mrs. Roy Martin. Refreshments folowed the business meeting. Program chairman for the day was Mrs. John Perata.

Red Cross Drive Starts March 1

Campbell's Red Cross Goal for this year, which starts March 1, is $4500. Mr. Joaquin Payne, chairman of the local chapter of the American Red Cross, feels sure that Campbell residents who have never failed to meet their quota will be especially generous this year due to the enormous quantity of blood needed for our fighting forces in Korea.

"Campbell Red Cross response has always been favorable," said Payne, "and I feel sure that this year, Campbell will go all out to make it one of the most successful campaigns ever."

The annual fund campaign, with a national minimum goal this year of $85,000,000, will be launched March 1 when approximately 1,500,000 volunteers in the organization's 3,700 chapters throughout the country begin solicitation.

"Red Cross services to the armed forces are increasing as the military is brought to defense strength. Our blood program must continue to expand," E. Roland Harriman, national Red Cross president said.

Clarence Helson as general chairman of the Campbell drive, will be assisted by Mrs. Ray M. Snyder, general chairman of Workmen and El Quito Tract.

Campbell solicitors are Mesdames Carl Field, A. C. Cuny, J. E. Osborne, Russ Kennedy, Dave Sanders, and Joe Dahl.

There's nothing just as good that's Cheaper!

It's a fact! Your travel dollar buys more comfort, more convenience, more luxury and more miles on modern streamliners than on any other form of transportation. Roundtrips in chair cars on any of the Southern Pacific "name" trains listed below cost only about 2¢ a mile or less.

Chair cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft free air conditioning. No-glare fluorescent lighting. Soft as a cloud foam-rubber seats. Lots of leg room and move around room. Extra large windows. Feather touch doors. Spacious washrooms. That's why Chair Cars on S. P. streamliners are the most luxurious form of all low-cost transportation.

There's nothing as good as S.P. for freight shipments, too. We have more miles of line serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service—whether carload or l.c.l.—call our nearest agent.

County Building Development Brought To Halt By Stop-Gap Flood Measure

A new county ruling which orders the County Engineer's Office to hold in abeyance all certification of new sub divisions, has halted two developments in the Campbell area which had been planned by the American Homes Development Company of San Mateo. The ruling, which is in effect until the state legislature acts on a request of the county for formation of a flood district in Santa Clara County, brought a halt to developments planned by the American Homes Development Company in the Cambrian-Union area and on property located at the intersection of Quito Road and McCoy.

A spokesman for the county counsel office stated this week that the ruling had been brought about in an effort to absolve the county of liability suits resulting from flood damage. The County is attempting to bring about passage of a bill which would declare it to be a critical flood area. Passage of such a measure would allow the formation of tax supported flood control districts. Under it, subdividers who are planning developments which would add to the flood menace, would be required to post a bond or to contribute a cash amount to a flood district in proportion to the amount of benefit received in their area.

Formation of such a flood control districts would make possible the institution of means to carry off excess water and would absolve the county from any liability in damage suits resulting from floods.

Until the state legislature, scheduled to convene this spring, acts on the bill and flood districts can be formed, county approval of all new sub divisions is being withheld.

Providing the state legislature passes the proposed enactment, subdividers will probably be able to resume development of their tracts by late summer or early

Doctor and Mrs. Joseph Johannes, 131 Alice Way, plan to move out of town in the very near future. The doctor has been offered a position in charge of the Mountain Sanatorium and Hospital in Fletcher, North Carolina.

To Meet Monday

Rev. Edward Townsend, pastor of the First Baptist Church of Campbell, and former army chaplain, will be the speaker at the Country Woman's Club, Monday afternoon, March 3.

A trio from the Campbell High School, the Misses Beverly Clawson, Mardel Sanders and Joyce Klassen will give several music selections.

Tri-County Tourney Starts Saturday

Cagemen from Campbell Grammar School "B" squad will participate in the Tri-County Basketball tournament in Gilroy on Saturday. The tournament is an elimination contest among the strongest "B" teams of Santa Clara, Monterey, and San Benito Counties. Attendance is by invitation.

Coach Duane Beaubien's Grammar School squad will meet their first opponents, a strong quintet from Watsonville, at 2:30 p. m. First tournament games are scheduled for 10:00 a. m. and play is expected to continue till 7:30 p. m.

Members on Campbell's starting lineup are Bob Almetti, Arthur Duffy, Matty Musladin, Steve Hunter, Alex Peterson.

Viola Krug Gives Statement On City Clerk Office

EDITOR'S NOTE: The following is a statement of candidacy by Viola Krug, candidate for the office of City Clerk in the special Campbell incorporation election to be held on March 11.

"In agreeing to place my name on the ballot for the office of City Clerk for the proposed city of Campbell, I realize the responsibility which will rest upon the shoulders of that official. In brief, the success or failure of the city will depend to a great extent upon the manner in which the city clerk administers the orders and directives of the council. The position of City Clerk not only requires the ability and experience in business management but also a full knowledge of the special problems and situations which are pertinent to the Campbell area.

"As co-owner of a local funeral home and as former owner and manager of a chain of beauty salons in the State of Washington, I feel that my business experience is of the type which will readily adapt itself to the duties of City Clerk. Other experience in related lines includes evening business courses now being taken at San Jose State College.

"As an owner of both business and residential property within the incorporated limits for the past two years, I have become familiar with local problems and situations. Two children, who are both attending Campbell schools, have stimulated an active interest in educational problems and their possible relationships with city government. As an active member of the Business and Professional Women's Club, the Country Womans' Club and the Orchard City Grange, I have gained an intimate knowledge of the individual and group problems of various civic organizations of Campbell.

"The post of City Clerk is not one to be taken lightly nor is it one to be passed off as a "part-time" position. In this request, I intend to devote my full time to the duties if elected to that office."

REPUBLICANS HEAR GUBSER

Approximately thirty members of the Republican Women of Campbell Federated, met in the Rincon Avenue home of Mrs. Joseph Feasel Monday afternoon to hear a talk by Charles Gubser.

Mrs. Doris Frank of Los Gatos, past president of the Santa Clara County Republican Assembly, presented information to the group for use in the coming campaign.

At the adjournment of the business meeting, members participated in a silent auction to raise funds for campaign use.
